

QUIET WORK AREAS

Quiet study areas have been created in the library to provide a better working environment for our users. Within the scope of this arrangement, the Library is divided into areas in three main colors.

SUPER QUIET AREAS

The **red** areas are designated as **SUPER QUIET** areas and the reading room at the entrance of the Library and the Art Room on the 3rd floor are used as **red** areas.

Definition:

Quiet workspaces,

Conversation and phone calls cannot be made.

(Mobile phones are set to silent or vibrate)

QUIET AREAS

Yellow areas are designated as **QUIET** areas and Reference Section and Visually Impaired Unit located at the entrance of the library, Basement Floor Audio-Visual Materials Unit (Multimedia) and Conference / Cinema Hall), 1st Floor (Periodic Publications), 2nd floor and 3rd floor general study areas are separated as **yellow** areas.

Definition:

Quiet reading and study areas,

Speak too little,

Speaking in a low voice,

Phone calls cannot be made

(Mobile phones are set to silent or vibrate,

Be quiet when entering and leaving group study rooms)

LOW SPEAKING AREAS

Green areas are areas that **CAN BE HOWEVER TALKED** during operation. The foyer area, including the Group Study Halls, the carousels, the photocopier, the mini-cafeteria at the library entrance, the lending counter and the administration, are designated as green areas.

Definition:

Areas for group work or quiet conversation with others

Silent speech free,

Cell phones are set to silent or vibrate,

Free to make short phone calls in silence,
