Subject : Compulsory Internship Course

17.04.2026

TO WHOM IT MAY CONCERN

In accordance with the University's Education, Training and Examination Regulations, the "Internship Course" is included among the compulsory courses in all departments within our Faculty. In this context, students are required to successfully complete their internships in order to fulfill the graduation requirements.

The internship period is a total of 20 (twenty) working days, and it is essential that the internship be completed without interruption.

Sincerely,

Prof. Dr. Fatih AKKURT
Dean
