	Internship Name	Duration
INTERNAL SCIENCES BLOCK	Internal Medicine	6 weeks (1,5 months)
	Emergency Medicine	6 weeks (1,5 months)
	Pediatrics	6 weeks (1,5 months)
	Adult Psychiatry	3 weeks
	Cardiology	2 weeks (0,5 month)
SURGICAL SCIENCES BLOCK	Obstetrics & Gynecology	4 weeks (1 month)
	General Surgery	3 weeks
COMMUNITY-BASED PRACTICES	Public Health	6 weeks (1,5 months)
	Internal Medicine (Field Application)	2 weeks (0,5 month)
	Social Pediatrics (Field Application)	2 weeks (0,5 months)
	Ministry of Health Obstetrics & Gynecology Hospitals	2 weeks (0,5 months)
ELECTIVE BLOCK	ELECTIVE-1 *	3 weeks
	ELECTIVE-2 **	3 weeks

INTERN REPORT IMPLEMENTATION RULES

1. It is the responsibility of the 6th term student to fill out the report card and keep it for 1 year.
2. Those who do not submit their full report card to the "Student Affairs" at the end of the year will not be discharged.
3. Students must be evaluated as "SUFFICIENT" in order to be successful in their internships.
4. Students who do their internship abroad can add the documents they bring to their report cards and submit them to the "Student Affairs".

Obstetrics and Gynecology Internship Report

Covers 4 weeks of internship

Name-Surname:		Student Number:	
Training Dates			

	Number of Days Not Arrived	Absent	Continuous	Approval
Attendance status:				
Night Shift Attendance status:				
		Insufficient	Sufficient	Approval
Compliance with the clinic's rules				
Duty responsibility				

Procedures to be done during the internship	Number of Training / Procedures	Assistant/Specialist Dr. approval	Instructor approval
Case Presentation / Patient Presentation in visits			
Pregnancy examination and follow-up			
Evidence based medicine: Article presentation and discussion			
Rational drug use practice			
Gynecological Examination			
Observing and helping Vaginal Delivery			
Taking blood sample			
Others			

EVALUATION OF THE DEPARTMENT OF OBSTETRICS AND GYNECOLOGY

In order to be considered successful in the Obstetrics and Gynecology internship, they must be accepted as "SUFFICIENT".

	Knowledge	Skill	Attitude	Overall success	Head of Department Approval
Insufficient					
Sufficient					
High level success					

Pediatrics Internship Report

Covers 6 weeks of internship

Name-Surname:		Student Number:	
1st discipline to study		Date	
2nd discipline to study		Date	
3rd discipline to study		Date	

During the Pediatrics internship, interns train in three disciplines. In order to be considered successful in the Pediatrics internship, they must be accepted as "SUFFICIENT" by all three disciplines.

Pediatrics Internship 1st Discipline

	Number of Days Not Arrived	Absent	Continuous	Approval
Attendance status:				
Night Shift Attendance status:				
		Insufficient	Sufficient	Approval
Compliance with the clinic's rules				
Duty responsibility				

Procedures to be done during the internship	Number of Training / Procedures	Assistant/Specialist Dr. approval	Instructor approval
Case Presentation / Patient Presentation in visits			
Evidence based medicine: Article presentation and discussion			
Rational drug use practice			
Infant examination			
Newborn examination			
Adolescent examination			
Peripheral blood smear examination			
ECG evaluation			
Urine analysis			
Chest radiography evaluation			
Other			

Pediatrics Internship 2nd Discipline

	Number of Days Not Arrived	Absent	Continuous	Approval
Attendance status:				
Night Shift Attendance status:				
		Insufficient	Sufficient	Approval
Compliance with the clinic's rules				
Duty responsibility				

Procedures to be done during the internship	Number of Training / Procedures	Assistant/Specialist Dr. approval	Instructor approval
Case Presentation / Patient Presentation in visits			
Evidence based medicine: Article presentation and discussion			
Rational drug use practice			
Infant examination			
Newborn examination			
Adolescent examination			
Peripheral blood smear examination			
ECG evaluation			
Urine analysis			
Chest radiography evaluation			
Other			

Pediatrics Internship 3rd Discipline

	Number of Days Not Arrived	Absent	Continuous	Approval
Attendance status:				
Night Shift Attendance status:				
		Insufficient	Sufficient	Approval
Compliance with the clinic's rules				
Duty responsibility				

Procedures to be done during the internship	Number of Training / Procedures	Assistant/Specialist Dr. approval	Instructor approval
Case Presentation / Patient Presentation in visits			
Evidence based medicine: Article presentation and discussion			
Rational drug use practice			
Infant examination			
Newborn examination			
Adolescent examination			
Peripheral blood smear examination			
ECG evaluation			
Urine analysis			
Chest radiography evaluation			
Other			

PEDIATRICS DEPARTMENT EVALUATION

During the Pediatrics internship, interns train in three disciplines. In order to be considered successful in the Pediatrics internship, they must be accepted as "SUFFICIENT" by all three disciplines.

	Knowledge	Skill	Attitude	Overall success	Head of Department Approval
Insufficient					
Sufficient					
High level success					

Internal Medicine Internship Report

Covers 6 weeks of internship

Name-Surname:		Student Number:	
1st discipline to study		Date	
2nd discipline to study		Date	

During the internship in Internal Medicine, interns train in two disciplines. In order to be considered successful in Internal Medicine internship, they must be accepted as "SUFFICIENT" by both disciplines.

Internal Medicine Internship 1st Discipline

	Number of Days Not Arrived	Absent	Continuous	Approval
Attendance status:				
Night Shift Attendance status:				
		Insufficient	Sufficient	Approval
Compliance with the clinic's rules				
Duty responsibility				
Procedures to be done during the internship	Number of Training / Procedures	Assistant/Specialist Dr. approval	Instructor approval	
Case Presentation / Patient Presentation in visits				
Evidence based medicine: Article presentation and discussion				
Rational drug use practice				
Peripheral blood smear examination				
ECG taking and evaluation				
Regular follow-up of laboratory analysis findings				
Chest radiography evaluation				
Measuring blood sugar and evaluation				
Other:				

Internal Medicine Internship 2nd Discipline

	Number of Days Not Arrived	Absent	Continuous	Approval
Attendance status:				
Night Shift Attendance status:				
		Insufficient	Sufficient	Approval
Compliance with the clinic's rules				
Duty responsibility				

Procedures to be done during the internship	Number of Training / Procedures	Assistant/Specialist Dr. approval	Instructor approval
Case Presentation / Patient Presentation in visits			
Evidence based medicine: Article presentation and discussion			
Rational drug use practice			
Peripheral blood smear examination			
ECG taking and evaluation			
Regular follow-up of laboratory analysis findings			
Chest radiography evaluation			
Measuring blood sugar and evaluation			
Other:			

INTERNAL MEDICINE DEPARTMENT EVALUATION

During the internship in Internal Medicine, interns train in two disciplines. In order to be considered successful in internal medicine internship, they must be accepted as "SUFFICIENT" by both disciplines.

	Knowledge	Skill	Attitude	Overall success	Head of Department Approval
Insufficient					
Sufficient					
High level success					

General Surgery Internship Report

Covers 3 weeks of internship

Name-Surname:		Student Number:
Training Dates		

	Number of Days Not Arrived	Absent	Continuous	Approval
Attendance status:				
Night Shift Attendance status:				
		Insufficient	Sufficient	Approval
Compliance with the clinic's rules				
Duty responsibility				

Procedures to be done during the internship	Number of Training / Procedures	Assistant/Specialist Dr. approval	Instructor approval
Case Presentation / Patient Presentation in visits			
Evidence based medicine: Article presentation and discussion			
Rational drug use practice			
Preparation for surgery and participation in intervention			
Post-surgical monitoring			
Regular follow-up of laboratory analysis findings			
Rectal Examination			
Breast examination			
Ability to apply a nasogastric tube			
Ability to insert a urinary catheter			

GENERAL SURGERY DEPARTMENT EVALUATION

In order to be considered successful in the General Surgery internship, they must be accepted as "SUFFICIENT".

	Knowledge	Skill	Attitude	Overall success	Head of Department Approval
Insufficient					
Sufficient					
High level success					

Emergency Medicine Internship Report

Covers 6 weeks of internship

Name-Surname:		Student Number:	
Training Dates			

	Number of Days Not Arrived	Absent	Continuous	Approval
Attendance status:				
Night Shift Attendance status:				
		Insufficient	Sufficient	Approval
Compliance with the clinic's rules				
Duty responsibility				

Procedures to be done during the internship	Number of Training / Procedures	Assistant/Specialist Dr. approval	Instructor approval
Provide basic life support (cardiac massage and artificial respiration)			
Defibrillator use			
Endotracheal intubation			
Stomach irrigation with Orogastric-NG			
Trauma board and neck brace application			
Simple suture application and dressing			
ECG taking and evaluation			
Radiography evaluation			
Blood gas collection and evaluation			
Other:			

EMERGENCY MEDICINE DEPARTMENT EVALUATION

In order to be considered successful in the Emergency Medicine internship, they must be accepted as "SUFFICIENT".

	Knowledge	Skill	Attitude	Overall success	Head of Department Approval
Insufficient					
Sufficient					
High level success					

Public Health Internship Report

Covers 6 weeks of internship

Name-Surname:		Student Number:	
Training Dates			

	Number of Days not arrived	Absent	Continous	Approval
Attendance status:				
		Insufficient	Sufficient	Approval
Compliance with the clinic's rules				
Duty responsibility				

Procedures to be done during the internship	Number of Training / Procedures	Assistant/Specialist Dr. approval	Instructor approval
Presenting a community health seminar			
Evidence-based medicine: research paper discussion			
Research practice in the field			
Participation in immunization services			
Participation in reproductive health services			
Participation in child health services			
Participation in environmental health services			
Participate in a workplace audit			
Participating in outpatient services			
Participate in other field practices			

PUBLIC HEALTH DEPARTMENT EVALUATION

In order to be considered successful from the Public Health internship, they must be accepted as "SUFFICIENT".

	Knowledge	Skill	Attitude	Overall success	Head of Department Approval
Insufficient					
Sufficient					
High level success					

Psychiatry Internship Report

Covers 3 weeks of internship

Name-Surname:		Student Number:		
Training Dates				
	Number of Days Not Arrived	Absent	Continuous	Approval
Attendance status:				
Night Shift Attendance status:				
		Insufficient	Sufficient	Approval
Compliance with the clinic's rules				
Duty responsibility				

Procedures to be done during the internship	Number of Training / Procedures	Assistant/Specialist Dr. approval	Instructor approval
Anamnesis			
Psychiatric Examination			
Case Presentation			
Evidence based medicine: Article presentation and discussion			
Rational drug use practice			
Taking blood, urine samples			
Laboratory tests follow-up			
Active participation in the treatment team			
Other:			

PSYCHIATRY DEPARTMENT EVALUATION

In order to be considered successful in the Psychiatry internship, they must be accepted as "SUFFICIENT".

	Knowledge	Skill	Attitude	Overall success	Head of Department Approval
Insufficient					
Sufficient					
High level success					

Elective-1 Internship Report

Completed in the Department

Covers 3 weeks of internship

Name-Surname:	
Student Number:	
Training Dates	
Department	

	Number of Days Not Arrived	Absent	Continuous	Approval
Attendance status:				
		Insufficient	Sufficient	Approval
Compliance with the clinic's rules				
Duty responsibility				
Other				
Other				

.....DEPARTMENT EVALUATION

In order to be considered successful in the internship, they must be accepted as "SUFFICIENT".

	Knowledge	Skill	Attitude	Overall success	Head of Department Approval
Insufficient					
Sufficient					
High level success					

Elective-2 Internship Report

Completed in the Department

Covers 3 weeks of internship

Name-Surname:	
Student Number:	
Training Dates	
Department	

	Number of Days Not Arrived	Absent	Continuous	Approval
Attendance status:				
		Insufficient	Sufficient	Approval
Compliance with the clinic's rules				
Duty responsibility				
Other				
Other

In order to be considered successful in the internship, they must be accepted as "SUFFICIENT".

	Knowledge	Skill	Attitude	Overall success	Head of Department Approval
Insufficient					
Sufficient					
High level success					

Cardiology Internship Report

Covers 2 weeks of internship

Name-Surname:		Student Number:	
Training Dates			

	Number of Days Not Arrived	Absent	Continuous	Approval
Attendance status:				
Night Shift Attendance status:				
		Insufficient	Sufficient	Approval
Compliance with the clinic's rules				
Duty responsibility				

Procedures to be done during the internship	Number of Training / Procedures	Assistant/Specialist Dr. approval	Instructor approval
Case Presentation / Patient Presentation in visits			
Evidence based medicine: Article presentation and discussion			
Rational drug use practice			
ECG taking and evaluation			
Regular follow-up of laboratory analysis findings			
Chest radiography evaluation			
Other:			

CARDIOLOGY DEPARTMENT EVALUATION

In order to be considered successful in cardiology internship, they must be accepted as "SUFFICIENT".

	Knowledge	Skill	Attitude	Overall success	Head of Department Approval
Insufficient					
Sufficient					
High level success					

Internal Medicine Field Practice Internship Report

Covers 2 weeks of internship

Name-Surname:		Student Number:		
Training Department				
Training Dates				
	Number of Days Not Arrived	Absent	Continuous	Approval
Attendance status:				
		Insufficient	Sufficient	Approval
Duty responsibility				
Other				

INTERNAL MEDICINE DEPARTMENT EVALUATION

In order to be considered successful in Internal Diseases Field Practice internship, they must be accepted as "SUFFICIENT".

	Knowledge	Skill	Attitude	Overall success	Head of Department Approval
Insufficient					
Sufficient					
High level success					

TRAINING SEMINAR
